RE: Physician's and Surgeon's Certificate No. A 105398
Case No. 8002015016176

Public Letter of Reprimand

An investigation by the Medical Board of California revealed you documented that you performed a physical examination of patient M.S.'s lungs without actually having done so, provided inappropriate care following a post-operative evaluation of patient J.S., and failed to communicate with patient J.S. about post-surgical complications in a timely manner. These actions are in violation of California B&P Code sections 2234(c) – repeated negligent acts and 2266 – failure to maintain adequate and accurate records.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
